

How much do UUCB supporters pledge?

The graph below shows the commitments of financial support that UUCB has received for our current fiscal year, July 2023 through June 2024. Every pledge is important and greatly appreciated! As you can see, smaller pledges contribute to the total just as importantly as larger pledges do.

Pledging during March allows us to plan our budget for the coming year. Now, during our Stewardship 2024 campaign, we are asking for pledges of support for the 2024-25 fiscal year. As our church community has grown over the past year, so have our goals for offering more programs and maintaining our church home. Every pledge received will help us to achieve these goals.
