

UUCB Reopening Phases

UUCB Phase (A)	State Level for Contra Costa County (B)	CA Indoor Capacity Allowance (C)	Indicators (D)	Examples (E)	Safety Precautions (abbreviated; key below) (F)
0 -- Closed to all but essential staff/volunteers (for facilities security/mail processing) and schools	Purple Tier 1 Widespread	Maximum 25% capacity for each room and building overall	State metrics	'Closed' signs, "Essential staff" ID'd, all others work from home	Mask <-6-> EB
1 -- Closed to all but limited staff, schools, and authorized outdoor activity such as landscape maintenance (not gatherings)	Red Tier 2 Substantial	Maximum 25% capacity for each room and building overall	State metrics	'Closed' signs, kitchen/WCs disinfected daily, varied schedules	Mask <-6-> EB
2 -- Open to small group rentals, outdoor work parties, outdoor programs/gatherings	Orange Tier 3 Moderate	Maximum 50% capacity for each room and building overall	State metrics	Socially distant set-ups, shared areas disinfected daily, waivers	Mask <-6-> AB F eed
3 -- Open to small church meetings and programs	Yellow Tier 4 Minimal	Maximum 50% capacity for each room and building overall	State metrics	Orange Tier plus mtg leads ensure contact tracing	Mask <-6-> AB F eed
4 -- Reopen Sunday, services only indoors, limited capacity	Green		UUCB metrics using COVID Act Now data	Yellow Tier plus UUCB ensures contact tracing, max capacity	Mask <-6-> F eed
5 -- Reopen remaining Sunday programming, limited capacity	Green		UUCB metrics using COVID Act Now data	Green Tier 4 plus cleaning rooms between events, Hospitality service	Mask <-6-> SS F eed
6 -- Post vaccine, expand capacity	Green		UUCB metrics using COVID Act Now data	Green Tier 5 plus any additional measures - To be identified	<-?->
7 -- New Normal	Green			Livestreaming	To be determined

(A) UUCB Phase - We use California state-wide tiers and metrics here; as we move between UUCB Phases, we compare state restrictions with Contra Costa County Health Orders and keep our activities well within the more restrictive requirements.

(B) State Level - The State will move our county to the next tier once the following three criteria have been met for two consecutive weeks:

- Cases Rate: Less than 7 new cases per 100,000 residents
- Positivity Rate: Less than 8% of tests countywide are positive
- Equity Metric: Less than 8% of tests for residents of the lowest quartile of the [Healthy Places Index census tracts](#) are positive

(C) CA Indoor capacity allowances are established by the California Department of Public Health (CDPH); they are provided for reference, and may differ from the directives of Contra Costa Health Services (CCHS).

(D) Indicators are the measurements/calculations that put UUCB into a specific Phase. State metrics can be found in the Blueprint for a Safer Economy on the CDPH website (cdph.ca.gov).

(E) Examples of activities allowed at each Phase.

(F) Safety Precautions provide a few of the pertinent details about safety measures at each Phase. (Protocols provide the full plan.)

Key: Mask = facemasks required; <-6-> = physical distancing (6 feet) required; EB = building open for essential business only; AB = building open for authorized business and scheduled activities only; <-?-> = "safety zones" will be maintained during worship services for congregants/visitors who choose to continue wearing masks and prefer to remain physically distanced from others; F~~eed~~ = all eating indoors is prohibited; SS~~F~~~~eed~~ = self-service food is prohibited.
