Aspirational Covenant of the UUCB Board of Trustees

Approved September 2019, updated May 2020

We as the UUCB Board of Trustees agree:

To stay committed to connection even when we disagree;

To recognize the fullness of our power, and the many responsibilities that power entails;

To listen actively to each other and the congregation, and to seek out opportunities to do so;

To be caring, respectful, present and open-minded; T

To work together to make the changes the congregation needs, as we keep the best interests of the congregation above our own and to live into our mission;

To support and trust each other in our work;

To remember the goal of our work is to build a thriving, loving congregation;

To be unafraid in the face of hard decisions, to be unafraid of making mistakes, knowing that we will learn from them if we do, and to be unafraid of challenging sacred cows; and

To come to decisions we all feel we can support while recognizing diverse views.

LISTENING

Announcements –

Board Members: Kerry mentioned July 12, 2021 will be the church's 130th anniversary; someone may want to contact Berkeley Fellowship of UUs to do a joint celebration.

Minister: Rev. Michelle has invited Board members and others to participate in a congregational anti-racism assessment. All are welcome; please contact her ASAP if interested.

Executive Director: Tess and Michelle, Greg Lemieux, and Antonio are participating in the NorCal Resilience Network (https://norcalresilience.org/resilient-hub-initiative) to support community resilience through disaster preparedness, sustainability and permaculture, and building community power.

Report from Board listening presence: Kerry didn't get any calls. Cordell said we should probably formalize what needs to be carried between the Board and the Program Council.

Ariel announced there were more than 20 UUCB people attending the UUA New Day Rising online conference the previous Saturday.

Congregants who wish to speak to the Board: Don Klose commented on the Governance Manual draft. He noticed it does not have his favorite part of the old Manual, "Linkage with Ownership: The Board is accountable to the moral ownership of the Unitarian Universalist Church of Berkeley. The moral owners are everyone on whose behalf we pursue our mission, including past, present and future members and friends of our church, our denomination, and the surrounding community." He thinks this statement should be made somewhere, as central to our identity.

DISCUSSION/ACTION ITEMS

Next ministry – Beth introduced some questions, not to be decided tonight, including interim length, whether to search for a developmental or settled minister, and the process for selecting any search team needed. Rev. Michelle is limited in not influencing the decision making on the type of ministry to choose, but can provide general advice on formats and processes. She summarized the differences between settled and developmental ministers. Both searches commence in the spring of the previous year. Beth reported that she and Helen had met with our UUA regional rep, Melissa James, who is available if we want more guidance.

Michelle reported that some congregations are considering extending interim to a 3rd year; along with other factors, this affects how many congregations are in search the next two years. There are 20 congregations looking for interims to start this fall (partly due to deferred retirements). Usually there would only be 5 to 8 at this time of year. The implication is that if we wait to do our search for a settled minister until 2022-23 we will be competing with a much larger number of congregations for the best candidates.

Examples of goals during developmental ministries: Create a sustainable stewardship model. Switch to policy governance. Work on trust in the congregational system. Possibly renovating personnel practices or new member practices.

Discussion: Do we have things going for us that would make UUCB especially desirable for minister candidates? Comments from Board members included: Yes, we should be very attractive—one of highest budgets in UUA, thriving intellectual and social justice programs, financial housing assistance for ministers—we will look like a church that is going to survive when many won't. High cost of living here and decreasing membership are potential concerns. There could be "gossip and lore" that could work against us. We did not get anyone in the first

round last time. We need to identify what kind of minister we want in order to get a good fit. We may need to do more work, e.g. define minister's role more narrowly so it's not an overwhelming job (and determine if we can continue to afford an executive director). Suggestion of "longer, deeper conversation" about what's changing in the way church is done and will be done and whether the standard UUA procedure is appropriate for us. We shouldn't rush; given all the changes in the world we need to think about what we want to be and what kind of minister we need. Beth said we should have some conversations with the congregation about these issues during the next month. She will inquire of Melissa James about doing a workshop something like what Jonipher Kwong did before our interim search. Rev. Michelle said she would think about the third-year ministry question.

Re-opening Task Force – Lisa Maynard reported that the task force members were Rev. Michelle, Tess, Rev. Cat Boyle, Patrick Cullinane (chair), Sheldon Jones, Greg Lemieux, and herself. Various others have provided advice. See 3 docs in the agenda packet. They are still working on: getting input from lay leaders and consultants; how we will make decisions about phases after state and county authorities stop restricting activities; educating the congregation, e.g with videos; how to limit attendance at worship; how to respond to non-compliance. We will have symptom screening (probably a sign-in form). It's not clear how long personal distancing will need to be enforced. Family Ministry guidelines will also be complicated. We plan to be more cautious than the state and county demand. Renters will be informed of and expected to comply with our rules. Big thanks to Lisa and the other members of the team. Their group email is planning@uucb.org, or write to lbmaynard3@me.com.

Recommended policy from the Social Justice Council for expenditure of the Nancy Kelly bequest – Sheldon Jones – They want to use the funds responsibly and with accountability. Jean Gleason drafted the policy and the SJC approved it. Many ideas have been suggested. This gives more of an opportunity to work on a larger scale with group(s) in the community. Kerry and Beth reminded the Board that this would be an exception to the policy on bequests that the Board has the authority to make and then inform the congregation. A motion (M Randall/S Bill) to approve the recommended policy passed unanimously.

DISCUSSION/ACTION ITEMS

Report from Capital Oversight Committee – Tom Tripp reviewed some background, noted the congregation had authorized "other critical capital needs as authorized by the Board," and summarized proposed expenditures (see written report). In response to a question about going all-electric for HVAC, he said the possibility has been studied but would get expensive, on the order of \$100K for a whole new electric service to start.

Motion (M David/S Randall): Based on the report to the UUCB Board of Trustees (Board) from the Endowment Project Oversight Committee (EPOC) dated March 3, 2021 (REPORT), the Board authorizes the Executive Director (ED) and the Building and Grounds Committee (BG), with oversight from the EPOC to proceed with the Phase 4 projects, using funds from the Endowment Fund, limited to the \$230,000 estimate in the REPORT. The Board further authorize the ED and the BG, with oversight from the EPOC to move forward with consultants

to study the Future Phases, as described in the REPORT, in order to provide information for Board action on future needs. Motion passed unanimously.

Updated Board Governance Manual – Beth was a member of the task force who worked on the new draft with Cindy Maxim, Virginia Rimbach, Deborah Schmidt, and some help from Ann. A motion (M Kerry/S Helen) to approve it, with the part Don Klose had suggested added, passed unanimously.

Widening the Circle of Concern Educational Fund – Helen and Kerry introduced the proposal and said they hope it will become a regular budget line and will receive donations in support of the scholarship opportunities. Motion to approve proposal (M Helen/S Bill) passed unanimously.

BOARD COMMITTEE/TASK FORCE /LIAISON REPORTS

Beth went over the 2021 Board Member Appointments/Liaisons list.

Audit Committee – Randall reported they got some pretty good advice from the accounting firm to check our bylaws regarding full audits vs. financial reviews. Full audits are costly. Tess said the last one was in 2016.

Bylaws – A motion (M Ariel/S Helen) to appoint Don Klose, Patrick Cullinane, and Ann Harlow to the Bylaws Committee and leave it to presidential discretion to appoint others passed unanimously.

Benchmarking – Dave said he has 2 volunteers from WTCTF - Lonnie Mosely and Cordell Sloan - and is still recruiting others. Randall expressed some interest.

Widening the Circle of Concern – no additional report.

Stewardship – process going well; main kickoff this Sunday; you can make your pledge online (https://uucb.org/about-us/give/pledge-form-2021-2022/). Beth noted it's important for Board members to get theirs in early.

Nominating – They are working on codifying nominating procedures, making recommendations for bylaws changes, and recommending additions to the committee for election in May.

Endowment – Per emails from Lenore Ralston, Grace Ulp willing continue to meet with the Endowment Committee (EC) as a non-voting member, providing a monthly report and institutional memory. As of mid-May, Lenore will also become a non-voting EC member working on various projects as the EC directs. The EC will actively recruit new members to fill the gaps left in voting membership of the EC.

Ariel asked if any appreciations need to be sent in her liaison role. The appreciation list from Board members included: Rev. Cat Cox for her years of service, and the Re-opening Task Force and the Governance Manual Task Force.

OUTGOING COMMENTS

Beth went over the schedule of additional Board training and teambuilding gatherings (below) and adjourned the meeting at about 9:40.

For the Board of Trustees meeting of April 7, 2021

Subject: Fiscal Year 2021-22 Priorities

Submitted by: Beth Pollard, Board President

The Board is scheduled to approve a fiscal year 2021-22 budget at its meeting of May 5, 2021 to recommend to the congregation for its approval on May 23, 2021.

Executive Director Tess O'Riva is developing draft budget information for the Board's April 7 meeting.

To help drive or at least inform any potential budget choices, the issue before the Board is giving its guidance about areas – or themes - of intentional focus this coming year. Some volunteer work of the church does not have budget implications. And much of the budget funds basic operations of the church. But this is the annual opportunity to seek relative alignment between short-range or longer intentions and operating budget resources. This is while recognizing that longer-range church planning warrants deeper and broader thought, and that specific strategies within themes need not be fully developed at this point beyond budget implications.

In developing intentional themes, it's important to note that they inherently interrelate, intersect, and otherwise are part of a whole and are not silos. Instead, they serve the "we" of UUCB. As Board Member Randall Hudson has written:

Without Love there can be no Justice. UUCB's role in creating Loving Community and inspiring Spiritual Growth are foundational elements in making a better, kinder, and more 'just' world. Policies and practices aimed at the injustices in our world always fall short because the bureaucracy doesn't change the hearts and minds of people: People change people, people affect people. Social justice projects can end up being little more than a "To Do" list of items that get checked off. True social justice starts from within and realizes itself by the power of action.

This is why our Worship Services, Chalice Circles, Music, Vespers, Potlucks, Small Groups, and Mindfulness Practices (prayer and meditation) — in addition to Social Justice — are so important and central to our fellowship (née church). We congregate because the power of touch releases the power of love and spiritual well-being (and endorphins!). Spiritual growth — fueled by meaningful communion with one another — awakens the divine and prepares us emotionally as we work towards justice.

In this interconnected 'entangled' universe in which we live, we benefit from the personal growth that takes place when we congregate with intentionality to connect in a loving mindful way. The web of life is the harness for the connective energy that binds us together and provides the platform of spiritual/emotional awakening which ignites our passions for peace, love, and understanding.

The below two potential draft theme concepts, therefore, need to be viewed wholistically, as well as overlapping. Its purpose is to stimulate discussion about direction in fiscal year planning.

Board of Trustees, 4/7/21, Agenda Item # 4 b

Hello dear members and friends,

The Honoring Indigenous Peoples Group (HIP) of the Social Justice Council is happy to forward to you UUCB's Land Acknowledgement.

As we begin, we take this moment to acknowledge that this church occupies land in what was known as Huchiun [pronounced hoo-chin], the unceded territory of the Chochenyo [cho-chen-yo, with "cho" rhyming with "row"]-speaking Ohlone people. As community and church members, we continue to benefit from the seizure and occupation of this land. We also want to affirm that this is not simply performative, but is deeply felt and is a commitment toward action.

Over the past several months, HIP has been meeting to learn more about Indigenous peoples' histories and and to plan and take actions which acknowledge and support Indigenous peoples, particularly the Ohlone community who historically held stewardship of the land on which UUCB sits. The creation of this Land Acknowledgment is one of those actions.

The reading of Land Acknowledgments at events is now standard for many organizations across the U.S.

We suggest and hope that you will read this Acknowledgement at all UUCB services, meetings and gatherings. It is part of UUCB's continuing commitment to act on the side of justice for Indigenous peoples.

The Acknowledgement may sound familiar to you, but please check it out carefully, as we have made some changes based on recent research that we've done. A pdf version is also attached.

We welcome your comments.

with love and appreciation for our Beloved Community,

The Honoring Indigenous Peoples Group,

Mimi Bull, Carol Carlisle, Ann Harlow, Lynne Henderson, Don Klose, Wyndy Knox Carr, Helen Tinsley-Jones, Ann Wardell, Julie Winkelstein, Rev. Michele Collins

renhancing UUCB's fiscal and physical assets) Facilities/Buildings and Grounds Facilities/Buildings and Grounds Atrium vacant This vacant Safety Shade		 managed by Tom Tripp. Tom and Antonio have found additional ventilation already existing in the Sanctuary that none of us knew about. This should make it easier to ensure proper ventilation. Hassler has been called to review the state of those exhaust fans. Atrium bathrooms are being modified to be single use, unisex bathrooms with external vacant/occupied door locks, alternative door pulls (foot/arm), and a functional exhaust fan. This will help ensure social distancing in this small space where it is otherwise not possible. Bathroom remodeling options being considered to increase capacity without compromising safety while improving visual appeal. Shades have been hung to facilitate naptime in the Childcare building.
Community (People are loved, valued, & connected)	Admin & Operations	 Interim project: Full personnel review. Rev. Michelle is working on compensation review while I research benefits. We will be moving to a different structure for our health plan, but I expect it to be cost neutral. EAT discussions: Committees can write letters and directly respond to the public on all things within their purview if they identify themselves as a subset of UUCB, not the church.

		 Also, committees can only use UUCB letterhead if approved by the Board (immediate needs can be sent to Beth for email, per bylaws). Pine Crest School has been given a Notice of Nonrenewal. They have not met their financial obligations to UUCB even after we gave them huge Covid discounts and forgave months of rent. We have agreed to extend their lease through the end of July if they start paying off their debt, otherwise they will need to vacate by the end of June. We have opened discussions with another school interested in that space but are not in contract. Policy Governance decisions awaiting Board: UU External Relations Rep (UUA, Regional, PWR), IT Security, Coffee Hour Ownership, Homeless/Houseless resources
Faith in Action (Social & Environmental Justice) Sustainability (Preserving and enhancing UUCB's fiscal and physical assets)	Events & Calendar	 Next Bay Area UU Zoom Meetups is Tuesday, April 20th at 4 pm focused on sharing what each congregation is doing in their Social Justice work. Everyone encouraged to participate in everyone else's events. Rental requests increasing. Outdoor events are being booked now. Contra Costa Chorale, long time renter, will begin holding rehearsals in the main parking lot on Saturdays starting next week. They will not need an Event Host.
Community (People are loved, valued, & connected)	Safety & Security	 Opening Taskforce (OTF) is hosting a Town Hall for group leaders on the 17th. We are in Phase 2 and working on protocols for outdoor meetings once the bathroom modifications are done. All staff and lay leaders that previously had codes and/or keys to the doors have received a Trusted User agreement explaining our expectations. Most of them have been signed. Safety is a weekly standing agenda item at our UUCB Staff meetings. No concerns raised at last meeting.
