The code to the main lockbox on the back door has been changed and Trusted Users notified. If you do not have it, contact gillian at Administrator@uucb.org to become a Trusted User. • The lockbox formerly on the Music Room has been moved to the RE North (two-story) building and the code changed. Only background-checked Family Ministry volunteers will have the code to this lockbox as a safety precaution. • Security is everyone's job! Make sure there is someone leaving after you who will lock up. Trusted Users should personally check with another Trusted User to pass the baton (and responsibility)! |

| | Cool Stuff Club | <ul style="list-style-type: none">• We have been contacted by Jennifer Duplaga, Archives and Public Services Librarian at Hanover College, to coordinate transfer of items belonging to Rev. Dr. Raymond Cope to our church and his former spiritual home. His heir, step-daughter Harriette, has told me that he used to tell loving (and humorous) stories of UUCB. I hope that when we receive the collection, including two boxes of papers, multiple pictures, and a portrait, we will be able to invite her to share her memories of his stories and his life. |
