2. In the column labeled **Sustaining Budget**, enter the amount that your committee expects to raise from activities your committee has undertaken in previous years and intends to continue.
3. In **New Programs** include new kinds of programs that have either never been done at UUCB before or have not been done for some time. UUCB “Ends”

UUCB is an engaged, sustainable faith community grounded in UU principles and values. It exists so that:

People of all ages and backgrounds find a spiritual home in this supportive, affirming religious community.

People are loved, valued, and connected.

Seekers can pursue their spiritual growth and transformation within the context of the covenanted UU community.

Children, youth, and adults experience and explore the wisdom that all religions have to offer and can express UU principles and values.

Congregants experience a shared richness of love and spiritual growth, inspiring greater generosity of time, talent, and treasure.

Congregants can fulfill the UU values of social and environmental justice, and community organizations experience UUCB as an active and dynamic partner in this work.
