The Suggested Fair-Share Contribution Guide*

Giving is a function of commitment and resources. When thinking about your income and your financial commitment to the congregation, please consider your Unitarian Universalist values. Together we individually and collectively are responsible for resourcing our movement and our congregations.

Wherever you find the right level, re-visit it periodically and re-assess whether it's still the right level for you or if you are ready to move to a deeper level of support using the instructions below.

1. Determine your monthly income or resource level.
2. ADD any unusual or periodic income such as inheritances, business income, anticipated investment income, etc.
3. Subtract any extraordinary expenses such as large medical expenses, education, care of a parent, other large financial expense, etc.
4. From the Adjusted Monthly Income column, move to the right to find a giving level that you are ready to support.
